Also included is a proof of the ad that notes the Executive Order as well as the telephonic conferencing information so the public can join.

Ms. Mackie noted this is likely to be the last extension of the Executive Order that allows this Board to meet virtually and staff will work to give advance notice to all of the Board Members as to the location of the next meeting for November. A discussion took place about providing the public with an option to attend virtually. The Board directed staff to continue offering a zoom option for public participation. FOURTH ORDER OF BUSINESS

Consideration of the Minutes of the September 21, 2020 Board of Supervisors' Meeting

On Motion by Ms. Duerr, second by Ms. Kost, with all in favor, the Board of Supervisors for the Greenway Improvement District approved the Minutes of the September 21, 2020 Board of Supervisors' Meeting.

FIFTH ORDER OF BUSINESS

Matters Pertaining to Local Alternative Mobility Network ("LAMN")

- a) Presentation Regarding LAMN**
- b) Presentation of Preliminary Operation and Maintenance Assessment Methodology Report**
- c) Interlocal Agreement Among the District, the Boggy Creek Improvement District, the Greenway Improvement District, the Myrtle Creek Improvement District and the Poitras East Community Development District Regarding Maintenance of the Greenlink Improvements within the Local Alternative Mobility Network Improvements**
- d) Consideration of Second Amended and Restated Engineer's Report for Capital Improvements for Infrastructure**

Mr. Byrnes and Mr. Ireland presented on the Local Alternative Mobility Network (Minutes Exhibit A). Mr. Ireland stated Lake Nona is the beneficiary of a \$20,000,000.00 Federal Grant that was awarded and would help support at Local Alternative Mobility Network to benefit all Lake Nona. He conducted a presentation regarding LAMN. Ms. Kost asked about annual O&M expenses. Mr. Byrnes asked the PFM Team to field this question.

Mr. Plenzler stated the budget as currently estimated at build out is approximately \$1,378,000.00 and presented the Preliminary Operation and Maintenance Assessment Methodology Report. Ms. Kost had questions regarding the assessments which Mr. Plenzler explained. A discussion took place regarding the

cost vs. the benefit. Dr. Levey asked Mr. Byrnes and Mr. Ireland to send the presentation to Ms. Walden or Ms. Mullins so they have it for the District record.

Ms. Mackie suggested approval of the Preliminary Local Alternative Mobility Network Operation and Maintenance Assessment Methodology Report as it is the basis of the Interlocal Agreement in which she will review for the Board next. Dr. Levey requested a motion to approve the Preliminary Local Alternative Mobility Network Operation and Maintenance Assessment Methodology Report.

On Motion by Ms. Duerr, second by Ms. Kost, with all in favor, the Board of Supervisors for the Greenway Improvement District approved the Preliminary Local Alternative Mobility Network Operation and Maintenance Assessment Methodology Report.

Ms. Mackie presented the Interlocal Agreement (Minutes Exhibit B) among the District, the Boggy Creek Improvement District, the Myrtle Creek Improvement District, and the Poitras East Community Development District regarding maintenance of certain Local Alternative Mobility Network Improvements. It identifies Boggy Creek ID as the operating entity for purposes of the maintenance of the Greenlink Improvements. It will be sharing in the cost of the Greenlink maintenance and how the District is going to allocate those costs on an annual basis to each one of the Districts based upon the percentages included within the Preliminary Local Alternative Mobility Network Operation and Maintenance Assessment Methodology Report. Ms. Mackie went through the Interlocal Agreement in detail. The costs outlined in Section 2.3 are then going to be allocated to each District based upon the percentage allocation of cost in the Final Adopted Methodology Report. Those percentages that were outlined in Table 9 of the Methodology Report will be inserted into Section 2.3 prior to execution. Upon such time as the District is including Greenlink expenditures in its annual Budget, Boggy Creek ID is going to provide those budgets for Myrtle., Greenway and Poitras East for their review at the time in which the Districts typically adopt their Preliminary Budget. They will show the percentage allocation of the total budget to each one of those Districts in preliminary form such that each could comment to Boggy Creek on the costs and whether or not they had any questions or comments regarding the same. Once the budgets are formally adopted, there is an option to provide a lump sum payment but what has been more practical is on a month to month basis each District reimburses Boggy for its monthly allocative share of the Greenlink expenditures. It provides for how the Districts will coordinate in the event there are unbudgeted expenditures. Section 2.7 provides for the inspection of records and any payment disputes that may arise between the District's and how they will be handled. She recommended the Interlocal Agreement be approved by the Board today because the Boards want to have some assurance that this will be the way in which Greenlink expenditures will be allocated at such time as they are incorporated in an annual budget as adopted.

Ms. Kost asked Dr. Levey asked his experience with approving something at this stage and at what point does he recommend the Board start the efforts to educate the public on the benefit of the Greenlink. Dr. Levey stated he was not sure why this had to be in place so far in advance. Mr. Byrnes responded the Federal Grant dictates that the District must prove they have O&M in place. Dr. Levey stated the education process should start with creating excitement around the initial construction and coordinate with the Developer on an education program with residents to explain the benefit of the project and an education program about how it will be funded. Dr. Levey requested a motion to approve Interlocal Agreement Among the District and the Poitras East Community Development District Regarding maintenance of Certain Local Alternative Mobility Network Improvements.

On Motion by Ms. Kost, second by Ms. Duerr, with all in favor, the Board of Supervisors for the Greenway Improvement District approved the Interlocal Agreement Among the District, the Boggy Creek Improvement District, the Greenway Improvement District, the Myrtle Creek Improvement District and the Poitras East Community Development District Regarding Maintenance of the Greenlink Improvements with the Local Alternative Mobility Network Improvements.

Mr. Newton presented the Second Amended and Restated Engineer's Report for Capital Improvements for Infrastructure. The only changes are updates to the last two pages which are maps. There used to be a three-map series but since so much work has been completed it has been narrowed to a two-map series. One shows the improvements completed by the District to date and the second exhibit shows the planned improvements by the District and the most significant addition was showing the multi-modal linear park which is Greenlink and the multi-modal bridge crossing Lake Nona Boulevard. The Capital Improvement Budget was not changed but to the extent there are excess funds in the Bond Issue then the District has the ability to use that on some of these improvements. It does not affect any of the Capital Assessments that are going to any residents it just fully utilizes the funding that has been requested. Dr. Levey requested a motion to approve the Second Amended and Restated Engineer's Report for Capital Improvements for Infrastructure.

On Motion by Ms. Duerr, second by Ms. Kost, with all in favor, the Board of Supervisors for the Greenway Improvement District approved the Second Amended and Restated Engineer's Report for Capital Improvements for Infrastructure.

SIXTH ORDER OF BUSINESS

Matters Pertaining to District Construction

a) Authorization to Bid for Centerline Drive Phase 2 (aka Segment F)

Mr. Newton stated the Construction Committee is nearing the end of the permitting process for Centerline Drive Phase 2, also known as Segment F. The Construction Committee is asking permission from the Board to advertise that to the preapproved list of qualified bidders.

On Motion by Ms. Kost, second by Ms. Duerr, with all in favor, the Board of Supervisors for the Greenway Improvement District authorized to bid Centerline Drive Phase 2.

SEVENTH ORDER OF BUSINESS

Discussion Regarding November Workshop

Ms. Walden explained the District has the November General Election approaching which will have some new residents serving on the Board. District staff requested to hold a workshop for those individuals to bring them up to speed on the District and their role on the Board. She requested Board approval to authorize District staff to establish a workshop after the election for a date and time that works for the majority of the Board to go over the basic District governing information.

On Motion by Ms. Kost, second by Ms. Duerr, with all in favor, the Board of Supervisors for the Greenway Improvement District authorized District Staff to establish a November Workshop.

Mr. Kauffman presented a proposal from Donald W. McIntosh Associates in the amount of \$101,650.00 to do redesign roadway sections south of Centerline Drive Segments ABCD. A lengthy discussion took place. Ms. Duerr asked about cost to residents. Mr. Kauffman explained it is paid out of the Capital Improvement program and does not change the Capital Assessments to the residents and contingencies are included in the Capital Improvement Program when they estimate how much improvements will cost.

On Motion by Ms. Kost, second by Ms. Duerr, with all in favor, the Board of Supervisors for the Greenway Improvement District approved all three Work Authorizations/Proposed Services as presented.

LOCAL ALTERNATIVE MOBILITY NETWORK

Reimagining Mobility Project

Local Alternative Mobility Network
Orange County, Florida

LAMN Overview

Lake Nona will be home to a first of its kind, robust Local Alternative Mobility Network (LAMN). The LAMN will tie into existing and future infrastructure and integrate multi-modal systems into a rapidly developing urban fabric. Accommodating pedestrians, cyclists (both casual and commuter), electric assist personal vehicles, and a fleet of autonomous vehicles (AV), the project will both modify existing and create new infrastructure consisting of multi-use corridors, dedicated commuter ways, mobility hubs, and AV support infrastructure. The LAMN will reduce automobile dependency and better connect residents, visitors, and students to employment, medical facilities, essential services, retail, education, and entertainment.

The LAMN will be at a scale and level of thoughtfulness that does not exist in any other privately developed community and is only possible with the funding of key components such as the multimodal bridge over Lake Nona Blvd, the AV Shuttle Car Barn, and the Mobility Hub, in addition to a variety of new and upgraded infrastructure.

RECITALS

WHEREAS, the Districts are special-purpose units of local government located entirely within the City of Orlando, Florida, that have been established for the purpose of planning, financing, constructing, installing, and/or acquiring certain improvements, facilities and services in conjunction with the development of lands located within the Districts;

WHEREAS, the Districts are responsible for the maintenance of certain aspects of a Local Alternative Mobility Network, which is located throughout the boundaries of the Districts, as more particularly identified on the map attached hereto and made a part hereof as **Exhibit A** (the “**LAM Network**”);

WHEREAS, as described in more detail in the *Preliminary Local Alternative Mobility Network Operation & Maintenance Assessment Methodology Report*, dated October 1, 2020 (“**LAMN Methodology**”) attached hereto as **Exhibit B**, all of the Districts benefit from the Greenlink from both a transportation and amenity perspective; accordingly, the Districts desire to share in the operation and maintenance cost associated with the Greenlink at the percentages described in the LAMN Methodology;

WHEREAS, the Districts find that it is mutually advantageous and cost-effective to designate one district as the entity to provide for the maintenance of the Greenlink;

WHEREAS, the District providing the maintenance will have the need for continued staffing and contractual arrangements to be in place to be able to respond to maintenance needs;

WHEREAS, the Districts wish to ensure the timely, efficient and cost-effective provision of maintenance services;

WHEREAS, the Districts find that designation of Boggy Creek as the entity for provision of the staffing and contract coordination for the maintenance of the Greenlink will provide the most efficient and cost-effective way to provide maintenance services;

WHEREAS, it is in the interest of each District to establish intergovernmental relations that encourage, promote and improve the coordination, overall effectiveness and efficiency of governmental activities and services within the boundaries of their respective districts;

WHEREAS, section 163.01, *Florida Statutes*, known as the “Florida Interlocal Cooperation Act of 1969,” permits local governmental units to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities in a manner and pursuant to forms of governmental organization that will accord best with geographic, economic, population, and other factors influencing the needs and development of local communities;

WHEREAS, the Districts find this Agreement to be necessary, proper and convenient to the exercise of their powers, duties and purposes authorized by law; and

WHEREAS, the Districts desire to exercise jointly their common powers and authority concerning the cost effective provision of maintenance services; the avoidance of inefficiencies caused by the unnecessary duplication of services; and the clarification of responsibilities, obligations, duties, powers, and liabilities of each of the governmental bodies.

NOW, THEREFORE, in consideration of the recitals, agreements and mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Districts, the Districts agree as follows:

SECTION 1. RECITALS AND AUTHORITY. The foregoing recitals are true and correct and by this reference are incorporated as a material part of this Agreement. This Agreement is entered into pursuant to the provision of Florida law, including but not limited to Chapters 163, 189, and 190, *Florida Statutes*, and the Florida Constitution.

SECTION 2. MAINTENANCE. The parties acknowledge that it is in the best interest of the residents and property owners in each District for the Greenlink to be kept in a condition reflecting the quality of development within the Districts. Boggy Creek shall operate and maintain the Greenlink in substantial accordance with maintenance standards utilized by the Districts in existing maintenance agreements. The Districts agree that any or all of the operations and maintenance of the Greenlink shall be arranged by Boggy Creek.

2.1 Contracts. Boggy Creek shall comply with all applicable laws regarding the procurement of goods or services.

2.2 Administration. Boggy Creek shall be solely responsible for ensuring adequate administration and inspection of the Greenlink.

2.3 Costs. Consistent with the LAMN Methodology, the Financial Consultant for the Districts has calculated each District's percentage allocation of costs based on factors identified therein. The percentage allocation of costs for the operation and maintenance of the Greenlink is as follows:

Boggy Creek	____%
Greeneway	____%
Myrtle Creek	____%
Postras East	____%

The amounts to be paid by each District for the provision of maintenance services shall be based on these percentages.

2.4 Budget. Within seven (7) days after Boggy Creek annually approves its preliminary budget, Boggy Creek shall provide a copy of the preliminary budget to Myrtle Creek, Greeneway, and Postras East for review. In the event that the total funds budgeted for the use, operation, repair and maintenance of the Greenlink are not clearly identified in the preliminary budget, Boggy Creek shall send a letter accompanying the preliminary budget which sets forth the total amount budgeted for the use, operation, repair and maintenance of the Greenlink, inclusive of any amounts necessary for reserves. If Myrtle Creek, Greeneway and/or Postras East dispute the total amount budgeted by Boggy Creek, Myrtle Creek, Greeneway and/or Postras East shall notify Boggy Creek of its concerns. In such event, the Districts agree to cooperate in good faith toward refining the budgeted amount prior to Boggy Creek's adoption of its final budget. However, nothing herein shall operate to prevent Boggy Creek from adopting its final budget in a timely manner.

2.5 Payment. At the beginning of the Districts' fiscal year, Myrtle Creek, Greeneway and/or Postras East shall have the option of either reimbursing Boggy Creek at the beginning of each fiscal year by making a lump sum payment equal to each District's percentage share of the projected expenses for the use, operation, repair and maintenance of the Greenlink to Boggy Creek or by making monthly payments equal to each District's percentage share of the preceding month's actual expenses for the use, operation, repair and maintenance of the Greenlink to Boggy Creek. However, Boggy Creek may declare the option to reimburse by monthly payments no longer available should a District fail to make monthly payments in a timely manner.

If Myrtle Creek, Greeneway and/or Postras East opts to make a lump sum payment, on or before October 1 of each fiscal year, the respective District(s) shall make a lump sum payment equal to the percentage allocation identified in 2.3 herein of the projected expenses to be included in Boggy Creek's adopted final budget for the use, operation, repair and maintenance of the Greenlink to Boggy Creek. At the conclusion of each fiscal year, Greeneway shall compare the actual annual expenses for use, operation, repair and maintenance of the Greenlink with the amount previously paid by the respective Districts for that fiscal year. Based

on this comparison, Boggy Creek shall determine whether there has been an underpayment or an overpayment by any District for the prior fiscal year. If there has been an overpayment, the amount of the overpayment shall be paid to the respective District without interest. If there has been an underpayment, Boggy Creek shall provide the respective District with an invoice for the amount of the underpayment. The respective District shall pay such invoice within thirty (30) days of receipt. If such invoice is paid in full within this thirty-day period, no interest shall accrue on the underpayment.

If Myrtle Creek, Greenway and/or Poitras East opts to make monthly payments, upon receipt of invoice(s) for expenses incurred in connection with the use, operation, repair and maintenance of the Greenlink, Boggy Creek shall provide the respective District with an invoice requesting payment equal to the respective percentage share identified in 2.3 herein of the actual expenses for the use, operation, repair and maintenance of the Greenlink. The respective District shall pay such invoice within thirty (30) days of receipt.

2.6 Unbudgeted Expenses. It is contemplated by the parties that unusual, unbudgeted maintenance events may occur. In such event, the Districts agree to cooperate in good faith in arranging for the repair of the Greenlink and toward allocating cost among the Districts.

2.7 Inspection of Records; Payment Disputes. Upon request, Boggy Creek shall make available to Greenway, Myrtle Creek and Poitras East for review at a reasonable time and place, its books and records with respect to expenses associated with the use, operation, repair and maintenance of the Greenlink. In the event of a dispute between the parties relating to the reimbursement of these expenses, Greenway, Myrtle Creek and/or Poitras East shall pay the amount requested by Boggy Creek in the time frame set forth above. Greenway, Myrtle Creek and/or Poitras East shall give written notice accompanying the payment which states it disputes the amount of the payment. Payment in this manner shall not waive the right of Greenway, Myrtle Creek and/or Poitras East to dispute the correct amount of such required payment.

SECTION 3. INSURANCE. Boggy Creek shall require any contractor selected to provide services relative to the Greenlink to maintain liability and property insurance in amounts customary for the scope of such a maintenance project and shall name each other district as an additional insured.

SECTION 4. LIABILITY LIMITATIONS. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of any of the Districts, including their supervisors, officers, agents and employees and independent contractors, beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in section 768.28, *Florida Statutes*, or other statute, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

SECTION 5. DEFAULT. A default by any District under this Agreement shall entitle the other Districts to all remedies available at law or in equity, which may include, but not be limited to, damages, injunctive relief and specific performance. Each of the parties hereto shall give the

other party written notice of any defaults hereunder and shall allow the defaulting party not less than five (5) days from the date of receipt of such notice to cure monetary defaults and fifteen (15) days to cure other defaults.

In the event any term or provision of this Agreement is determined by appropriate judicial authority to be illegal or otherwise invalid, such provision shall be construed or deleted as such authority determines, and the remainder of this Agreement shall be construed to be in full force and effect.

SECTION 9. AMENDMENT. This Agreement shall not be modified or amended except by written agreement duly executed by the parties hereto.

SECTION 10. INTERPRETATION. This Agreement has been negotiated fully between the parties as an arms length transaction. All Districts participated fully in the preparation of this Agreement. The Objective and Scope of the Audit of the Financial Statements

You have requested that we audit the financial statements of Greeneway Improvement District, which comprise governmental activities and each major fund for the General Fund as of and for the years ended September 30, 2020, 2021, 2022, 2023, and 2024 which collectively comprise the basic financial statements. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter for the years ending September 30, 2020, 2021, 2022, 2023, and 2024.

Our audit will be conducted with the objective of our expressing an opinion on the financial statements.

The Responsibilities of the Auditor

We will conduct the audit in accordance with auditing standards generally accepted in the United States of America and "Government Auditing Standards" issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with generally accepted auditing standards. Also, an audit is not designed to detect errors or fraud that are immaterial to the financial statements.

In making our risk assessments, we consider internal control relevant to Greeneway Improvement District's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.

We will also communicate to the Board any fraud involving senior management and fraud that causes a material misstatement of the financial statements that becomes known to us during the audit, and any instances of noncompliance with laws and regulations that we become aware of during the audit.

The funds that you have told us are maintained by Greeneway Improvement District and that are to be included as part of our audit are listed below:

1. General Fund
2. Debt Service Fund
3. Capital Projects Fund

The Responsibilities of Management and Identification of the Applicable Financial Reporting Framework

Our audit will be conducted on the basis that management acknowledges and understands that it has responsibility:

1. For the preparation and fair presentations of the financial statements in accordance with accounting principles generally accepted in the United States of America;
2. To evaluate subsequent events through the date the financial statements are issued or available to be issued, and to disclose the date through which subsequent events were evaluated in the financial statements. Management also agrees that it will not evaluate subsequent events earlier than the date of the management representation letter referred to below;
3. For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; and
4. To provide us with:
 - a. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters;
 - b. Additional information that we may request from management for the purpose of the audit; and
 - c. Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from management written confirmation concerning representations made to us in connection with the audit, including among other items:

1. That management has fulfilled its responsibilities as set out in the terms of this letter; and
2. That it believes the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Management is responsible for identifying and ensuring that Greeneway Improvement District complies with the laws and regulations applicable to its activities, and for informing us about all known material violations of such laws or regulations. In addition, management is responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the entity involving management, employees who have significant roles in internal control, and others where the fraud could have a material effect on the financial statements. Management is also responsible for informing us of its knowledge of any allegations of fraud or suspected fraud affecting the entity received in communications from employees, former employees, analysts, regulators, or others. Management is also responsible for providing planned corrective actions on auditors' recommendations included in the audit report, if any.

The Board is responsible for informing us of its views about the risks of fraud within the entity, and its knowledge of any fraud or suspected fraud affecting the entity.

Records and Assistance

If circumstances arise relating to the condition of the Greeneway Improvement District's records, the availability of appropriate audit evidence, or indications of a significant risk of material misstatement of the financial statements because of error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment, prevent us from completing the audit or forming an opinion, we retain the unilateral right to take any course of action permitted by professional standards, including declining to express an opinion, issuing a report, or withdrawing from the engagement.

During the course of our engagement, we may accumulate records containing data that should be reflected in the Greeneway Improvement District books and records. The District will determine that all such data, if necessary, will be so reflected. Accordingly, the District will not expect us to maintain copies of such records in our possession.

The assistance to be supplied, including the preparation of schedules and analyses of accounts, has been discussed and coordinated with Amanda Lane. The timely and accurate completion of this work is an essential condition to our completion of the audit and issuance of our audit report. The audit should be completed and filed with the Auditor General within nine (9) months after the end of the fiscal year. If the information is timely provided, the District shall receive a draft by May 15, 2021, and if the draft is timely reviewed by management, the District shall receive the final audit by June 15, 2021.

Other Relevant Information

In accordance with Government Auditing Standards, a copy of our most recent peer review report has been provided to you, for your information.
