STATE OF FLORIDA

OFFICE OF THE GOVERNOR

EXECUTIVE ORDER NUMBER 20-52

(Emergency Management - COVID-19 Public Health Emergency)

WHEREAS, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, in late 2019, a new and significant outbreak of COVID-19 emerged in China; and

WHEREAS, the World Health Organization previously declared COVID-19 a Public Health Emergency of International Concern; and

WHEREAS, in response to the recent COVID-19 outbreak in China, Iran, Italy, Japan and South Korea, the Centers for Disease Control and Prevention (“CDC”) has deemed it necessary to prohibit or restrict non-essential travel to or from those countries; and

WHEREAS, on March 1, 2020, I issued Executive Order number 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

WHEREAS, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

WHEREAS, on March 7, 2020, I directed the Director of the Division of Emergency Management to activate the State Emergency Operations Center to Level 2 to provide coordination and response to the COVID-19 emergency; and

WHEREAS, as of March 9, 2020, eight counties in Florida have positive cases for COVID-19, and COVID-19 poses a risk to the entire state of Florida; and

WHEREAS, the CDC currently recommends community preparedness and everyday prevention measures be taken by all individuals and families in the United States, including voluntary home isolation when individuals are sick with respiratory symptoms, covering coughs and sneezes with a tissue and disposal of the tissue immediately thereafter, washing hands often with soap and water for at least 20 seconds, using of alcohol-based hand sanitizers with 60%-95% alcohol if soap and water are not readily available and routinely cleaning frequently touched surfaces and objects to increase community resilience and readiness for responding to an outbreak; and

WHEREAS, the CDC currently recommends mitigation measures for communities experiencing an outbreak including staying at home when sick, keeping away from others who are sick, limiting face-to-face contact with others as much as possible, consulting with your healthcare provider if individuals or members of a household are at high risk for COVID-19 complications, wearing a facemask if advised to do so by a healthcare provider or by a public health official, staying home when a household member is sick with respiratory disease symptoms if instructed to do so by public health officials or a health care provider; and

WHEREAS, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

NOW, THEREFORE, I, RON DESANTIS, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. Because of the foregoing conditions, I declare a state of emergency exists in the State of Florida.

Section 2. I designate the Director of the Division of Emergency Management (“Director”) as the State Coordinating Officer for the duration of this emergency and direct him to execute the State’s Comprehensive Emergency Management Plan and other response, recovery, and mitigation plans necessary to cope with the emergency. Additionally, I designate the State Health Officer and Surgeon General as a Deputy State Coordinating Officer and State Incident Commander.

Pursuant to section 252.36(1)(a), Florida Statutes, I delegate to the State Coordinating Officer the authority to exercise those powers delineated in sections 252.36(5)-(10), Florida Statutes, which he shall exercise as needed to meet this emergency, subject to the limitations of section 252.33, Florida Statutes. In exercising the powers delegated by this Order, the State Coordinating Officer shall confer with the Governor to the fullest extent practicable. The State Coordinating Officer shall also have the authority to:

A. Seek direct assistance and enter into agreements with any and all agencies of the United States Government as may be needed to meet the emergency.

B. Designate additional Deputy State Coordinating Officers, as necessary.

C. Suspend the effect of any statute, rule, or order that would in any way prevent, hinder, or delay any mitigation, response, or recovery action necessary to cope with this emergency.

D. Enter orders as may be needed to implement any of the foregoing powers; however, the requirements of sections 252.46 and 120.54(4), Florida Statutes, do not apply to any such orders issued by the State Coordinating Officer; however, no such order shall remain in effect beyond the expiration of this Executive Order, to include any extension.

Section 3. I order the Adjutant General to activate the Florida National Guard, as needed, to deal with this emergency.

Section 4. I find that the special duties and responsibilities resting upon some State, regional, and local agencies and other governmental bodies in responding to the emergency may require them to suspend the application of the statutes, rules, ordinances, and orders they administer. Therefore, I issue the following authorizations:

A. Pursuant to section 252.36(1)(a), Florida Statutes, the Executive Office of the Governor may suspend all statutes and rules affecting budgeting to the extent necessary to provide budget authority for state agencies to cope with this emergency. The requirements of sections 252.46 and 120.54(4), Florida Statutes, do not apply to any such suspension issued by the Executive Office of the Governor; however, no such suspension shall remain in effect beyond the expiration of this Executive Order, to include any extension.

B. Each State agency may suspend the provisions of any regulatory statute prescribing the procedures for conduct of state business or the orders or rules of that agency, if strict compliance with the provisions of any such statute, order, or rule would in any way prevent, hinder, or delay necessary action in coping with the emergency. This includes, but is not limited to, the authority to suspend any and all statutes, rules, ordinances, or orders which affect leasing, printing, purchasing, travel, and the condition of employment and the compensation of employees. For the purposes of this Executive Order, “necessary action in coping with the emergency” means any emergency mitigation, response, or recovery action: (1) prescribed in the State Comprehensive Emergency Management Plan (“CEMP”); or (2) ordered by the State Coordinating Officer. The requirements of sections 252.46 and 120.54, Florida Statutes, shall not apply to any such suspension issued by a State agency; however, no such suspension shall remain in effect beyond the expiration of this Executive Order, to include any extensions.

C. In accordance with section 465.0275, Florida Statutes, pharmacists may dispense up to a 30-day emergency prescription refill of maintenance medication to persons who reside in an area or county covered under this Executive Order and to emergency personnel who have been activated by their state and local agency but who do not reside in an area or county covered by this Executive Order.

D. In accordance with section 252.38, Florida Statutes, each political subdivision within the State of Florida may waive the procedures and formalities otherwise required of the political subdivision by law pertaining to:

- 1) Performance of public work and taking whatever prudent action is necessary to ensure the health, safety, and welfare of the community;
- 2) Entering into contracts; however, political subdivisions are cautioned against entering into time and materials contracts without ceiling as defined by 2 CFR 200.318(j) or cost plus percentage contracts as defined by 2 CFR 200.323(d);
- 3) Incurring obligations;
- 4) Employment of permanent and temporary workers;
- 5) Utilization of volunteer workers;
- 6) Rental of equipment;
- 7) Acquisition and distribution, with or without compensation, of supplies, materials, and facilities; and,
- 8) Appropriation and expenditure of public funds.

E. All State agencies responsible for the use of State buildings and facilities may close such buildings and facilities in those portions of the State affected by this emergency, to the extent necessary to meet this emergency. I direct each State agency to report the closure of any State

building or facility to the Secretary of the Department of Management Services. Under the authority contained in section 252.36, Florida Statutes, I direct each County to report the closure of any building or facility operated or maintained by the County or any political subdivision therein to the Secretary of the Department of Management Services. Furthermore, I direct the Secretary of the Department of Management Services to:

- 1) Maintain an accurate and up-to-date list of all such closures; and,
- 2) Provide that list daily to the State Coordinating Officer.

Section 5. I find that the demands placed upon the funds appropriated to the agencies of the State of Florida and to local agencies are unreasonably great and the funds currently available may be inadequate to pay the costs of coping with this emergency. In accordance with section 252.37(2), Florida Statutes, I direct that sufficient funds be made available, as needed, by transferring and expending moneys appropriated for other purposes, moneys from unappropriated surplus funds, or from the Budget Stabilization Fund.

Section 6. All State agencies entering emergency final orders or other final actions in response to this emergency shall advise the State Coordinating Officer contemporaneously or as soon as practicable.

Section 7. Medical professionals and workers, social workers, and counselors with good and valid professional licenses issued by states other than the State of Florida may render such services in Florida during this emergency for persons affected by this emergency with the condition that such services be rendered to such persons free of charge, and with the further condition that such services be rendered under the auspices of the American Red Cross or the Florida Department of Health.

Section 8. All activities taken by the Director of the Division of Emergency Management and the State Health Officer and Surgeon General with respect to this emergency before the issuance of this Executive Order are ratified. This Executive Order shall expire sixty days from this date unless extended.

OFFICE OF THE GOVERNOR

EXECUTIVE ORDER NUMBER 20-69

(Emergency Management – COVID-19 – Local Government Public Meetings)

WHEREAS, on March 1, 2020, I issued Executive Order 20-51 directing the Florida Department of Health to issue a Public Health Emergency as a result of COVID-19; and

WHEREAS, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

WHEREAS, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

WHEREAS, on March 16, 2020, President Donald J. Trump and the Centers for Disease Control and Prevention (“CDC”) issued the “15 Days to Slow the Spread” guidance advising individuals to adopt far-reaching social distancing measures, such as working from home and avoiding gatherings of more than 10 people; and

WHEREAS, on March 17, 2020, I wrote a letter to Attorney General Ashley Moody seeking an advisory opinion regarding concerns raised by local government bodies about their ability to hold meetings through teleconferencing and other technological means in order to protect the public and follow the CDC guidance regarding social distancing; and

WHEREAS, on March 19, 2020, Attorney General Ashley Moody delivered an opinion to me indicating that certain provisions of Florida law require a physical quorum be present for local government bodies to conduct official business, and that local government bodies may only conduct meetings by teleconferencing or other technological means if either a statute permits a quorum to be present by means other than in person, or that the in person requirement for constituting a quorum is lawfully suspended during the state of emergency; and

WHEREAS, it is necessary and appropriate to take action to ensure that COVID-19 remains controlled, and that residents and visitors in Florida remain safe and secure;

NOW, THEREFORE, I, RON DESANTIS, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. I hereby suspend any Florida Statute that requires a quorum to be present in person or requires a local government body to meet at a specific public place.

Section 2. Local government bodies may utilize communications media technology, such as telephonic and video conferencing, as provided in section 120.54(5)(b)2., Florida Statutes.

Section 3. This Executive Order does not waive any other requirement under the Florida Constitution and "Florida's Government in the Sunshine Laws," including Chapter 286, Florida Statutes.

Section 4. This Executive Order shall expire at the expiration of Executive Order 20-52, including any extension.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 20th day of March, 2020

TALLAHASSEE, FLORIDA

STATE OF FLORIDA

OFFICE OF THE GOVERNOR

EXECUTIVE ORDER NUMBER 20-112

(Phase 1: Safe. Smart. Step-by-Step. Plan for Florida's Recovery)

WHEREAS, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

WHEREAS, on April 3, 2020, I issued Executive Order 20-91 and Executive Order 20-92 directing all persons in Florida to limit their movements and personal interactions outside of their home only to those necessary to obtain or provide essential services or conduct essential activities; and

WHEREAS, my administration has implemented a data-driven strategy devoted to high-volume testing and aggressive contact tracing, as well as strict screening protocols in long-term care facilities to protect vulnerable residents; and

WHEREAS, data collected by the Florida Department of Health indicates the State has achieved several critical benchmarks in flattening the curve, including a downward trajectory of hospital visits for influenza-like illness and COVID-19-like syndromic cases, a decrease in percent positive test results, and a significant increase in hospital capacity since March 1, 2020; and

WHEREAS, during the week of April 20, 2020, I convened the Task Force to Re-Open Florida to evaluate how to safely and strategically re-open the State; and

WHEREAS, the path to re-opening Florida must promote business operation and economic recovery while maintaining focus on core safety principles.

NOW, THEREFORE, I, RON DESANTIS, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution and Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order:

Section 1. Phase 1 Recovery

In concert with the efforts of President Donald J. Trump and the White House Coronavirus Task Force, and based on guidance provided by the White House and the Centers for Disease Control and Prevention (CDC), the Occupational Safety and Health Administration (OSHA), and the Florida Surgeon General and State Health Officer, Dr. Scott Rivkees, I hereby adopt the following in response to the recommendations in Phase 1 of the plan published by the Task Force to Re-Open Florida.

Section 2. Responsible Individual Activity

A. All persons in Florida shall continue to limit their personal interactions outside the home; however, as of the effective date of this order, persons in Florida may provide or obtain:

1. All services and activities currently allowed, *i.e.*, those described in Executive Order 20-91 and its attachments, which include activities detailed in Section 3 of Executive Order 20-91, the U.S. Department of Homeland Security in its Guidance on the Essential Critical Infrastructure Workforce and a list propounded by Miami-Dade County in multiple orders (as of April 1, 2020), as well as other services and activities approved by the State Coordinating Officer. Such services should continue to follow safety

guidelines issued by the CDC and OSHA. If necessary, employee screening or use of personal protective equipment should continue.

2. Additional services responsibly provided in accordance with Sections 3 and 4 of this order in counties other than Miami-Dade, Broward and Palm Beach. In Miami-Dade, Broward and Palm Beach counties, allowances for services and activities from Sections 3 and 4 of this order will be considered in consultation with local leadership.

B. Except as provided in Section 2(A)(1) of this order, senior citizens and individuals with a significant underlying medical condition (such as chronic lung disease, moderate-to-severe asthma, serious heart conditions, immunocompromised status, cancer, diabetes, severe obesity, renal failure and liver disease) are strongly encouraged to stay at home and take all measures to limit the risk of exposure to COVID-19.

C. For the duration of this order, all persons in Florida should:

1. Avoid congregating in large groups. Local jurisdictions shall ensure that groups of people greater than ten are not permitted to congregate in any public space that does not readily allow for appropriate physical distancing.
2. Avoid nonessential travel, including to U.S. states and cities outside of Florida with a significant presence of COVID-19.
3. Adhere to guidelines from the CDC regarding isolation for 14 days following travel on a cruise or from any international destination and any area with a significant presence of COVID-19.

D. This order extends Executive Order 20-80 (Airport Screening and Isolation) and Executive Order 20-82 (Isolation of Individuals Traveling to Florida), with exceptions for persons involved in military, emergency, health or infrastructure response or involved in commercial activity. This order extends Sections 1(C) and 1(D) of Executive Order 20-86 (Additional Requirements of Certain Individuals Traveling to Florida), which authorize the Department of Transportation, with assistance from the Florida Highway Patrol and county sheriffs, to continue to implement checkpoints on roadways as necessary.

Section 3. Businesses Restricted by Previous Executive Orders

Unless I direct otherwise, for the duration of this order, the following applies to businesses directly addressed by my previous Executive Orders:

- A. Bars, pubs and nightclubs that derive more than 50 percent of gross revenue from the sale of alcoholic beverages shall continue to suspend the sale of alcoholic beverages for on-premises consumption. This provision extends Executive Order 20-68, Section 1 as modified by Executive Order 20-71, Sections 1 and 2.
- B. Restaurants and food establishments licensed under Chapters 500 or 509, Florida Statutes, may allow on-premises consumption of food and beverage, so long as they adopt appropriate social distancing measures and limit their indoor occupancy to no more than 25 percent of their building occupancy. In addition, outdoor seating is permissible with appropriate social distancing. Appropriate social distancing requires maintaining a minimum of 6 feet between parties, only seating parties of 10 or fewer people and keeping bar counters closed to seating. This provision

extends Executive Order 20-68, Section 3 and supersedes the conflicting provisions of Executive Order 20-71, Section 2 regarding on-premises food consumption.

- C. Gyms and fitness centers closed by Executive Order 20-71 shall remain closed.
- D. The prohibition on vacation rentals in Executive Order 20-87 remains in effect for the duration of this order.
- E. The Department of Business and Professional Regulation shall utilize its authorities under Florida law to implement and enforce the provisions of this order as appropriate.

Section 4. Other Affected Business Services

Unless I direct otherwise, for the duration of this order, the following applies to other business services affected by my previous Executive Orders:

- A. In-store retail sales establishments may open storefronts if they operate at no more than 25 percent of their building occupancy and abide by the safety guidelines issued by the CDC and OSHA.
- B. Museums and libraries may open at no more than 25 percent of their building occupancy, provided, however, that (a) local public museums and local public libraries may operate only if permitted by local government, and (b) any components of museums or libraries that have interactive functions or exhibits, including child play areas, remain closed.

Section 5. Medical Procedures

Subject to the conditions outlined below, elective procedures prohibited by Executive Order 20-72 may resume when this order goes into effect. A hospital ambulatory surgical center, office surgery center, dental office, orthodontic office, endodontic office or other health care

practitioners' office in the State of Florida may perform procedures prohibited by Executive Order 20-72 only if:

- A. The facility has the capacity to immediately convert additional facility-identified surgical and intensive care beds for treatment of COVID-19 patients in a surge capacity situation;
- B. The facility has adequate personal protective equipment (PPE) to complete all medical procedures and respond to COVID-19 treatment needs, without the facility seeking any additional federal or state assistance regarding PPE supplies;
- C. The facility has not sought any additional federal, state, or local government assistance regarding PPE supplies since resuming elective procedures; and
- D. The facility has not refused to provide support to and proactively engage with skilled nursing facilities, assisted living facilities and other long-term care residential providers.

The Agency for Health Care Administration and the Department of Health shall utilize their authority under Florida law to further implement and enforce these requirements. This order supersedes the conflicting provisions of Executive Order 20-72.

Section 6. Previous Executive Orders Extended

The Executive Order 20-69 (Local Government Public Meetings) is extended for the duration of this order.

Section 7. Enforcement

This order shall be enforced under section 252.47, Florida Statutes. Violation of this order is a second-degree misdemeanor pursuant to section 252.50, Florida Statutes, and is punishable by imprisonment not to exceed 60 days, a fine not to exceed \$500, or both.

Section 8. Effective Date

This order is effective at 12:01 a.m. on May 4, 2020.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 29th day of April, 2020.

**Resolution 2020-06,
Approving a Preliminary Budget for Fiscal
Year 2021 and Setting a Public Hearing Date**

RESOLUTION 2020-06

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE GREENWAY IMPROVEMENT DISTRICT APPROVING PROPOSED BUDGETS FOR FISCAL YEAR 2020/2021; DECLARING SPECIAL ASSESSMENTS TO FUND THE PROPOSED BUDGETS PURSUANT TO CHAPTERS 170, 190 AND 197, FLORIDA STATUTES; SETTING PUBLIC HEARINGS; ADDRESSING PUBLICATION; ADDRESSING SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the District Manager has heretofore prepared and submitted to the Board of Supervisors ("**Board**") of the Greenway Improvement District ("**District**") prior to June 15, 2020, proposed budgets ("**Proposed Budget**") for the fiscal year beginning October 1, 2020 and ending September 30, 2021 ("**Fiscal Year 2020/2021**"); and

WHEREAS, it is in the best interest of the District to fund the administrative and operations services (together, "**Services**") set forth in the Proposed Budget by levy of special assessments pursuant to Chapters 170, 190 and 197, Florida Statutes ("**Assessments**"), as set forth in the preliminary assessment roll included within the Proposed Budget; and

WHEREAS, the District hereby determines that benefits would accrue to the properties within the District, as outlined within the Proposed Budget, in an amount equal to or in excess of the Assessments, and that such Assessments would be fairly and reasonably allocated as set forth in the Proposed Budget; and

WHEREAS, the Board has considered the Proposed Budget, including the Assessments, and desires to set the required public hearings thereon;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE GREENWAY IMPROVEMENT DISTRICT:

1. PROPOSED BUDGET APPROVED. The Proposed Budget prepared by the District Manager for Fiscal Year 2020/2021 attached hereto as **Exhibit A** is hereby approved as the basis for conducting a public hearing to adopt said Proposed Budget.

2. DECLARING ASSESSMENTS. Pursuant to Chapters 170, 190 and 197, Florida Statutes, the Assessments shall defray the cost of the Services in the total estimated amounts set forth in the Proposed Budget. The nature of, and plans and specifications for, the Services to be funded by the Assessments are described in the Proposed Budget, which is on file and available for public inspection at the "**District's Office**," 12051 Corporate Boulevard, Orlando, Florida 32817, (407) 723-5900. The Assessments shall be levied within the District on all benefitted lots and lands, and shall be apportioned, all as described in the Proposed Budget and the preliminary assessment roll included therein. The preliminary assessment roll is also on file and available for public inspection at the District's Office. The Assessments shall be paid in one more installments pursuant to a bill issued by the District in November of 2020, and pursuant to Chapter 170, Florida

Statutes, or, alternatively, pursuant to the *Uniform Method* as set forth in Chapter 197, Florida Statutes.

3. SETTING PUBLIC HEARINGS. Pursuant to Chapters 170, 190, and 197, Florida Statutes, public hearings on the approved Proposed Budget and the Assessments are hereby declared and set for the following date, hour and location:

DATE: August 18, 2020
HOUR: 3:00 p.m.
LOCATION: 6900 Tavistock Lakes Blvd, Suite 200,
Orlando, FL 32827

4. TRANSMITTAL OF PROPOSED BUDGET TO LOCAL GENERAL PURPOSE GOVERNMENTS. The District Manager is hereby directed to submit a copy of the Proposed Budget to the City of Orlando and Orange County at least 60 days prior to the hearing set above.

5. POSTING OF PROPOSED BUDGET. In accordance with Section 189.016, *Florida Statutes*, the District's Secretary is further directed to post the approved Proposed Budget on the District's website at least two days before the budget hearing date as set forth in Section 3, and shall remain on the website for at least 45 days.

6. PUBLICATION OF NOTICE. The District shall cause this Resolution to be published once a week for a period of two weeks in a newspaper of general circulation published in Orange County. Additionally, notice of the public hearings shall be published in the manner prescribed in Florida law.

7. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

8. EFFECTIVE DATE. This Resolution shall take effect immediately upon adoption.

Re: Centerline Drive Phase 2 - Parcel 24E Mass Grading
Additional Services Agreement No. 01
DWMA Job No. 17141 (040 – 047)

Dear Mr. Levey:

As requested by Developer representative Mr. Dan Young, Donald W. McIntosh Associates, Inc. (DWMA) is pleased to submit for your consideration this Work Authorization to provide additional professional surveying and engineering services to Greenway Improvement District ("CLIENT") for Centerline Drive Phase 2 - Parcel 24E Mass Grading ("Project"). The scope of this proposal includes Additional Services related to Developer's request to mass grade ±11.0 acres of land known as Lake Nona Parcel 24E, including the impact of ±1 acre of isolated wetlands (Wetland 93), in conjunction with the design, permitting and construction of Centerline Drive Phase 2 (aka Segment F). The Additional Services listed herein, as well as any additional construction costs attributable to the mass grading and wetland reclamation efforts, are to be reimbursed to CLIENT by the Developer under their Construction Funding Agreement.

DWMA will provide these Additional Services pursuant to our current contract with the Greenway Improvement District dated August 11, 2003 ("Contract") and the attached Basis of Proposal and CLIENT Responsibilities as follows:

I. Scope of Work

PART I - PROFESSIONAL SURVEYING & MAPPING

- A. **UPDATED TOPOGRAPHIC SURVEY** - Preparation of an updated topographic survey (onsite) to include the additional project area as delineated in the attached exhibit, prepared in accordance with State of Florida applicable Standards of Practice as set forth by the Board of Professional Surveyors and Mappers, Chapter 5J-17.05, Florida Administrative Code, per Section 472.027, Florida Statutes. Utility and site improvement locations will be limited to visible surface features only.
- B. **TREE SURVEY** - Provide tree survey for the Project (trees larger than 6 inches DBH) in accordance with City of Orlando tree preservation ordinances.

PART II - CIVIL ENGINEERING

- A. **CONCEPTUAL SITE PLAN** – Preparation of a conceptual site plan for Lake Nona Parcel 24E to be included in support of Wetland 93 impact permitting efforts by the CLIENT's Environmental Consultant. Site plan will be based on a typical single

family residential sub-division within the Lake Nona area and may not be representative of the ultimate development plan or program for the parcel.

- B. **MASS GRADING PLAN** – Design and preparation of construction drawings and technical specifications for mass grading of the Project which will be incorporated into construction plans prepared under the original Work Authorization. Mass grading design will be limited to that necessary to justify the impact and reclamation of Wetland 93 and will not be designed to accommodate a specific plan of development.
- C. **MASTER STORMWATER MANAGEMENT PLAN UPDATE** – Modification of Lake Nona Master Stormwater Plan update prepared under the original Work Authorization to incorporate the Project.
- D. **SFWMD ERP APPLICATION** – Modification of South Florida Water Management District (SFWMD) permit application for Environmental Resource Permit (ERP) prepared under the original Work Authorization to incorporate the Project.
- E. **ARBOR PERMIT** - Preparation and submittal of application for local arbor permit for the Project.
- F. **FINAL ENGINEERING MEETINGS AND COORDINATION** – Additional coordination with City of Orlando staff; regulatory agencies; geotechnical, environmental and other CLIENT consultants; and CLIENT associated with the design of the Project and representation at meetings associated with final design and permitting of the Project.

PART III - CONSTRUCTION PHASE SERVICES

The original Work Authorization assumed one (1) construction phase having a duration of up to eight (8) months. It is assumed that the construction of Lake Nona Parcel 24E Mass Grading will take place concurrently with the construction of Centerline Drive Phase 2 (aka Segment F); therefore, no additional construction phase services are requested at this time. If required, additional construction phase services resulting from increased construction duration or additional Project phasing will be addressed at the appropriate time under a separate Additional Services Agreement.

II. Compensation

CLIENT will compensate DWMA such fixed fees as are indicated below next to each specific item of Services, and as may be charged from time to time in connection with Additional Services, plus Reimbursable Expenses pursuant to the Contract.

PURSUANT TO FLORIDA STATUTE 558.0035, AN
INDIVIDUAL EMPLOYEE OR AGENT OF DONALD W.
MCINTOSH ASSOCIATES, INC. MAY NOT BE HELD
INDIVIDUALLY LIABLE FOR NEGLIGENCE.

BASIS OF PROPOSAL AND CLIENT RESPONSIBILITIES

Our Agreement is also based on the following conditions and limitations:

BASIS OF PROPOSAL

Project design and limits will be based generally on the Proposed Map H – Master Plan 8.7 PD Development Plan provided to DWMA by CLIENT dated April 21, 2020; and the Lake Nona Centerline Drive Segment F Existing Conditions Plan dated April 10, 2020, as annotated (copy of each attached).

CLIENT has performed the necessary due diligence research to confirm that the site is suitable for the intended purpose.

The CLIENT is advised that concurrency management and comprehensive plan consistency will impact the land development process. Regulations regarding concurrency and consistency vary according to governmental jurisdiction. The status of concurrency, consistency and, if applicable, vested rights must be addressed for all projects within the State of Florida. DWMA presumes the CLIENT is aware of the issues and resultant impacts described. DWMA disclaims responsibility for delays that may be encountered due to failure on the part of the CLIENT to address concurrency and consistency issues prior to initiation of Services proposed herein. DWMA is not responsible for changes to the approved plans that may alter the concurrency vesting status or for noncompliance on the part of the property owner with regard to the performance terms and conditions established in the vesting certificate.

DWMA will not be responsible for any circumstances, acts, errors, omissions or events, of any type, beyond its control including, without limitation, construction costs, the acts or failures to act of any governmental or judicial agency, or the existence of hazardous waste of any type associated with the Project. No Services associated with hazardous waste of any type are included in any way in this Agreement.

Without limitation, architectural, traffic engineering (e.g., studies, signalization), structural engineering (e.g., retaining walls, bridges, docks), mechanical engineering (e.g., fire pumps), fire protection engineering (e.g., dedicated fire lines beyond the point of service), electrical engineering, geotechnical engineering and testing, environmental assessment, landscape and irrigation design, non-civil utility engineering (e.g., power, gas, telephone, cable television, site lighting) and any other professional or consultant services required by CLIENT and not undertaken by DWMA, shall be retained separately by the CLIENT. **No Services are included in this Agreement other than those specifically listed herein.**

DWMA may be mandated by regulatory authorities to incorporate findings, requirements and details of design in their construction plans that are prepared by professional geotechnical engineers and not by DWMA. In doing so, DWMA assumes no responsibility or liability for the

design, construction or operation of geotechnical engineering components which may include, but not be limited to, underdrains, ground stabilizers, backfills, embankments, etc. CLIENT must also recognize that some of these systems (i.e., underdrains, etc.) usually require extensive field supervision during construction and certification after construction. These systems are subject to damage by other activities during or after infrastructure construction such as other utility installations (power, telephone, cable, gas, etc.). DWMA assumes no liability for damages to any design element caused by the improper design, construction, operation or maintenance of improvements designed by others.

DWMA, in and through its review and/or use of design and calculations prepared by others, is not responsible for or liable for error or omissions in the design and permitting services provided by others. CLIENT's consultants will provide DWMA with permission to utilize and rely upon their work product as the basis of DWMA's design. Certain elements designed by others may be shown in DWMA construction plans for context only.

DWMA's performance and work product quality is dependent upon the timely provision of services from CLIENT-selected and contracted third-party consultants, including but not limited to geotechnical engineer, environmental consultant, transportation engineer, landscape/hardscape/irrigation designer and/or legal consultant whose services, while coordinated to the extent possible, are beyond the scope of responsibility of DWMA.

If locating underground utilities is expressly included in the Services, DWMA will locate such underground utilities as may be marked by a utility locating service retained by CLIENT. DWMA shall not be liable for showing any utility lines not marked by the locating company. DWMA cannot and does not guarantee or warranty that unidentified utilities will not be encountered.

Any opinion of construction cost prepared by DWMA represents its judgment as a design professional and is supplied for the general guidance of the CLIENT only since DWMA has no control over the cost of labor and material or over competitive bidding or market conditions. DWMA does not warrant or guarantee the accuracy of such opinions.

No permit applications or negotiations with regulatory agencies or permitting authorities are included other than those specifically listed herein.

If construction services or observation of construction are included herein, the Services included by DWMA will be to conduct periodic visits and observations to determine that the Work generally conforms or will conform to the applicable contract documents in relation to DWMA's engineering Services. DWMA's Service shall not include determining, supervising, implementing, or undertaking the responsibilities of the contractor, subcontractors or others, regarding means, methods, techniques, sequences and procedures of construction, nor for job conditions,

safety precautions or programs. Construction phase services for systems designed and permitted by others are not included.

Construction phase retesting resulting from failures or no-shows, and therefore requiring additional site visits, shall be additional services and is not included in the scope of this agreement. Such services will be invoiced separately on an hourly basis for back-charge to the contractor by CLIENT.

CLIENT's contractor and/or surveyor will provide certified as-built surveys prepared by a Florida-licensed surveyor for DWMA's use and reliance in preparing project certifications and/or record drawings. Any as-built surveys required to be performed by DWMA due to failure of contractor's surveyor to provide accurate and complete survey data will be invoiced separately on an hourly basis for back-charge to the contractor by CLIENT.

Federal Emergency Management Agency (FEMA) Map revisions or amendments which may be required by regulatory agencies or lenders are not included unless specifically listed in Basic Services.

Provision of customized digital data files to CLIENT, CLIENT's consultants and/or CLIENT's contractor is not included. DWMA work product will be prepared digitally in AutoCAD Civil3D® 2018 or later.

CLIENT RESPONSIBILITIES

The CLIENT, or his representative, shall be available to meet with DWMA and provide decisions in a timely manner throughout the course of the Project.

The CLIENT will provide DWMA with plans and other pertinent information which may be necessary to properly survey or engineer the Project.

Prior to initiation of preliminary or final design, an approved site plan and final dimensioned building footprint(s) will be provided to DWMA by CLIENT, which will be complete with final geometry, and will be relied upon by DWMA.

The CLIENT will engage a professional geotechnical engineer to provide necessary hydrogeologic design support, relevant construction specifications for earthwork items and required construction inspection and certification. CLIENT's geotechnical engineer shall be responsible for final certification of all flexible and rigid pavement. DWMA has the CLIENT's authority to rely on this professional information as a basis for its design Services and certifications.

The CLIENT will engage a professional environmental consultant to provide jurisdictional determinations and necessary design and permitting support for wetland and special species issues.

The CLIENT will engage a professional environmental firm or firms who specialize in all matters relating to "hazardous" or "special" materials wastes, deposits, soils, contamination, etc., as may be required to support permitting or construction of the Project.

The CLIENT will engage a professional landscape architect to provide landscape and irrigation design related to the development of the property as intended by CLIENT.

The CLIENT will engage a professional architect to perform all architectural services including, without limitation, incorporation of the work product of DWMA, and compliance with local, state or federal laws, regulations, codes and Americans with Disabilities Act ("ADA") requirements.

The CLIENT will engage a professional transportation consultant to provide analysis related to development of the property as intended by CLIENT, including but not limited to traffic studies, determination of turn lane requirements, traffic signal design, Maintenance of Traffic (MOT) plans and roundabout geometry, striping and signage design.

The CLIENT will engage a professional legal counselor to provide legal services related to development of the property as intended by CLIENT.

The CLIENT will engage a professional state licensed hydrogeologist for completion of hydrologic data required in support of a Consumptive Use/Water Use Permit.

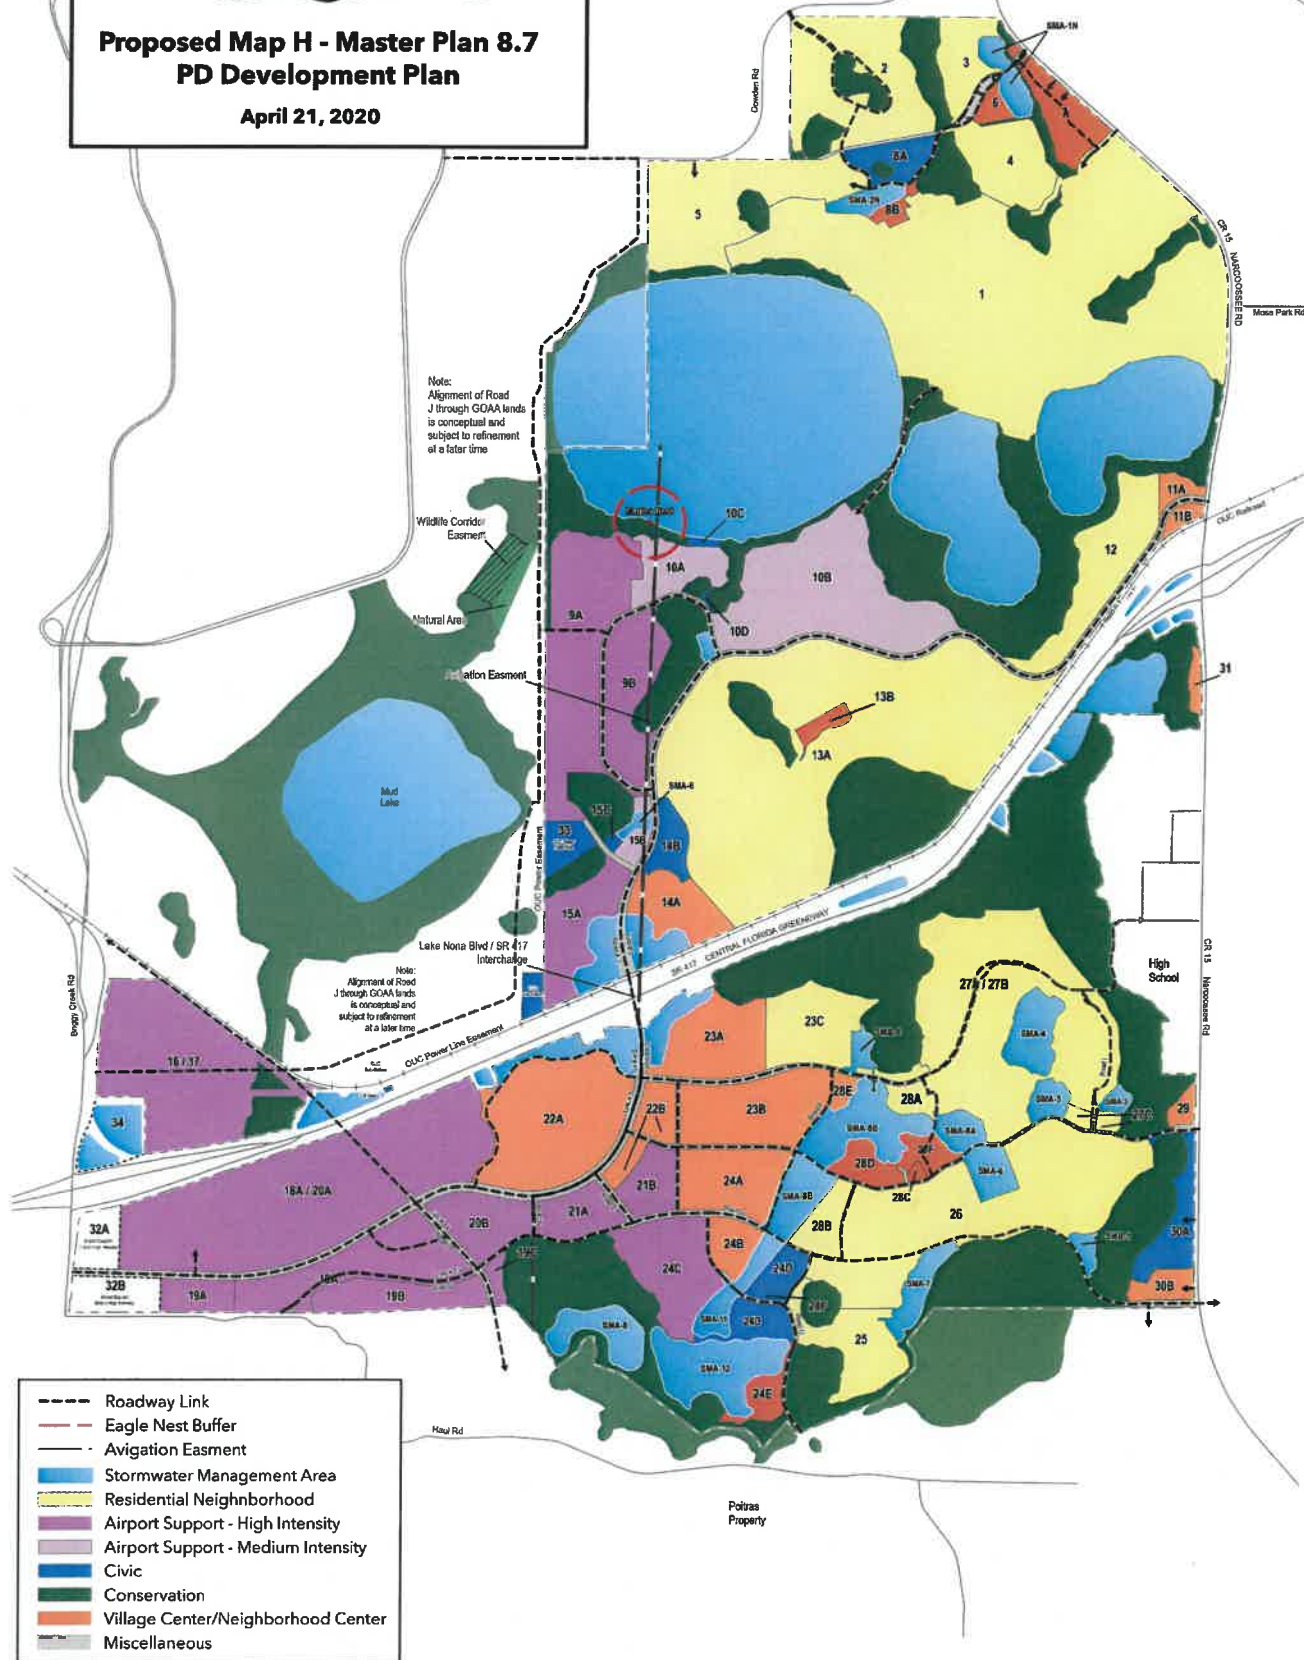

The CLIENT will engage a professional archaeologist to provide archaeological analysis related to development of the property as intended by CLIENT.

The CLIENT agrees that DWMA shall have no responsibility for the accuracy of information provided by, or for any portion of the Project designed by the CLIENT or CLIENT's other consultants, or for compliance with local, state or federal ADA requirements. DWMA shall not be required to check or verify the CLIENT's or other consultants' work product, information, or construction documents and shall be entitled to rely on the accuracy and completeness thereof, as well as the compliance of such documents with applicable laws, codes, statutes, ordinances, and regulations, including, without limitation, ADA requirements. The CLIENT also agrees to require all other consultants engaged by the CLIENT to coordinate their design or construction documents or reports with the work product of DWMA, to promptly report any conflicts or inconsistencies to DWMA and to cooperate fully in the resolution of those conflicts or inconsistencies. The CLIENT further agrees, to the fullest extent permitted by law, to indemnify and hold harmless DWMA from any claims, damages, liabilities or costs, including reasonable attorney's fees and defense costs, arising out of or relating to false, inaccurate, or non-compliant information provided by CLIENT or its other consultants, or the services performed by other consultants engaged by the CLIENT.

The CLIENT or CLIENT's contractor shall obtain the required National Pollutant Discharge Elimination System (NPDES) permit for the Project.

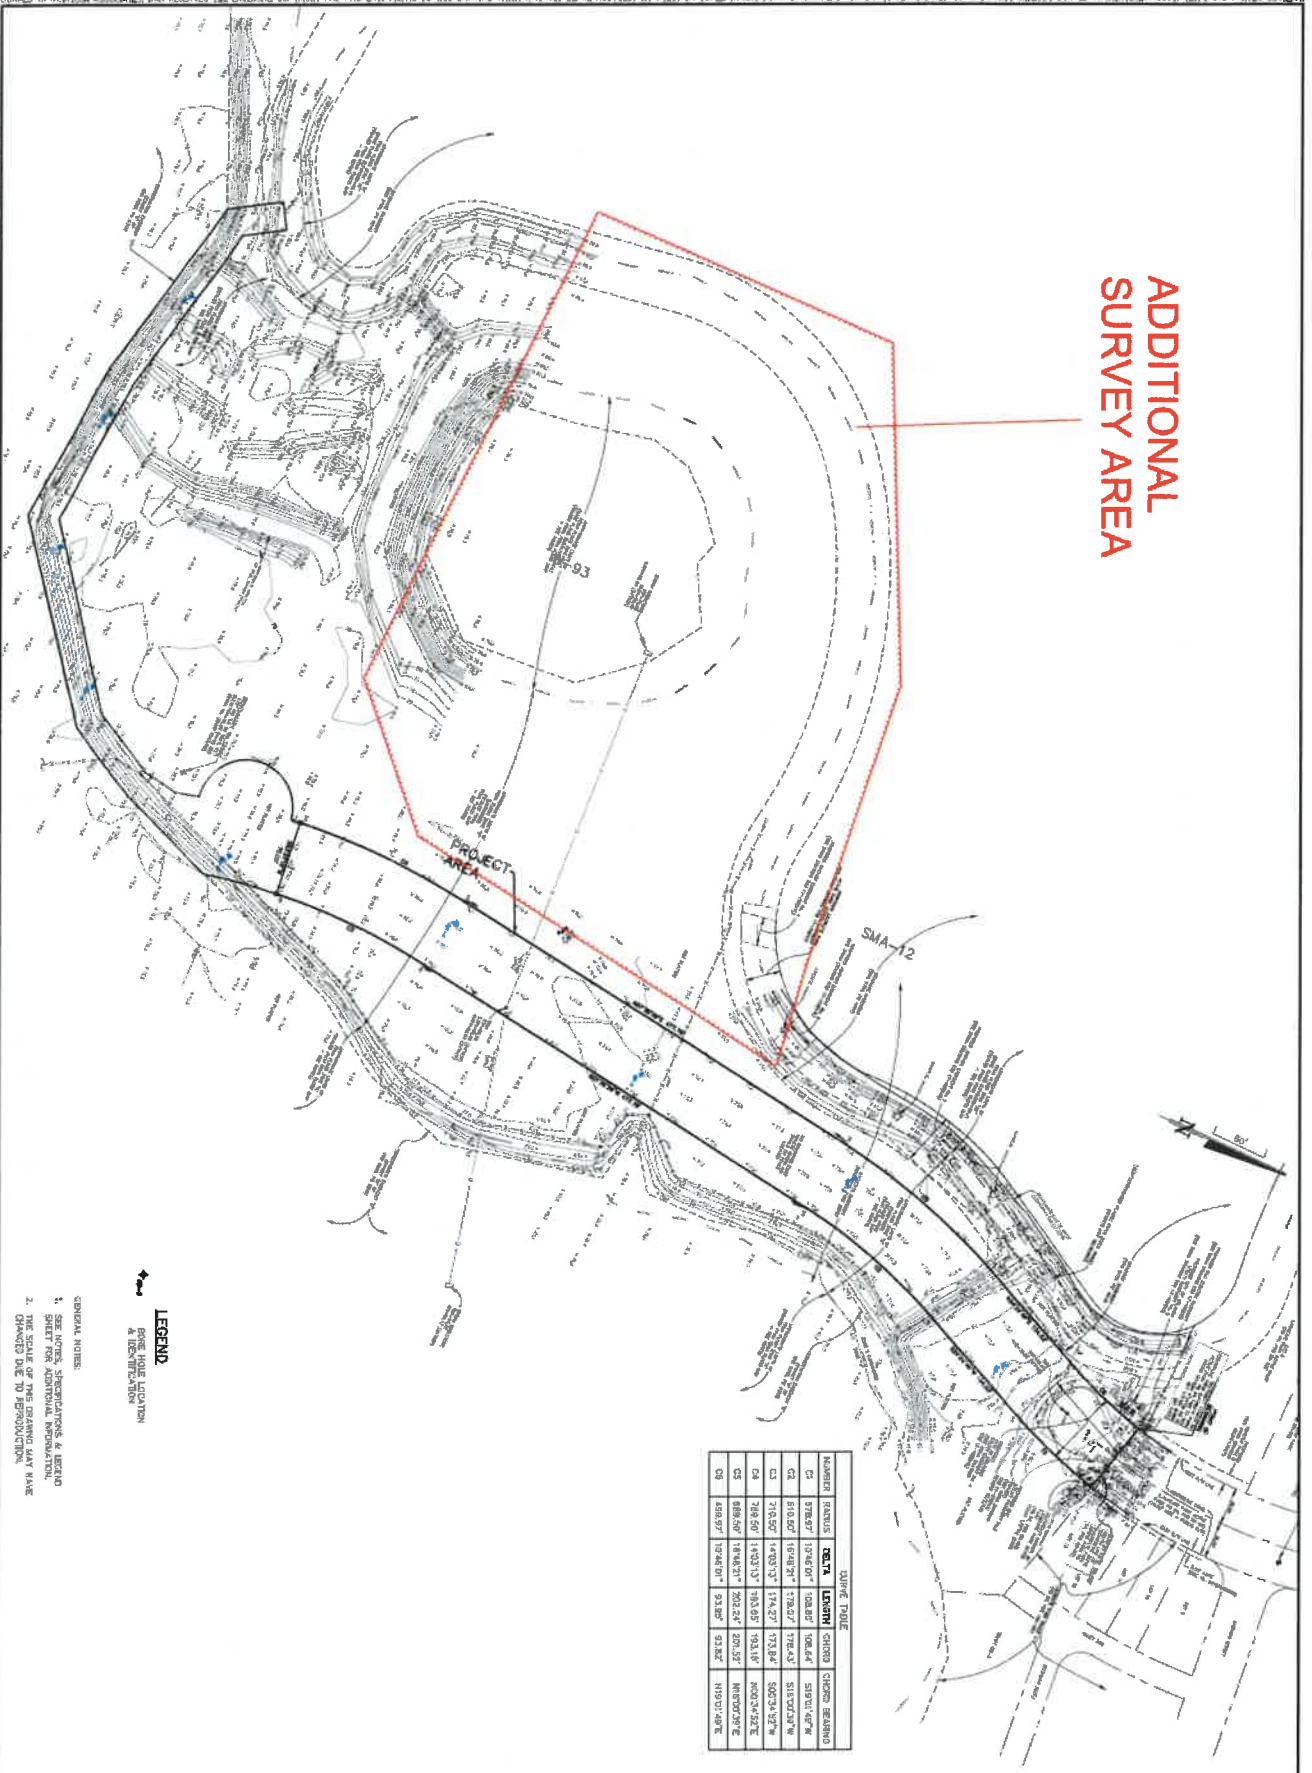

The CLIENT will provide DWMA with all applicable operation and maintenance budgets and budget reserve estimates for all gated communities prior to submittal of the final plat to satisfy local jurisdiction requirements.
